

# CSC DAY OF PRAYER

AUGUST 18 | 7 PM  
CENTRAL CAMPUS

- Praising God for all His Mercies, Blessings, Faithfulness and Protection – Psalm 103: 1-2 Bless the LORD, O my soul: and all that is within me, bless his holy name. Bless the LORD, O my soul, and forget not all his benefits
- 2 Chronicles 7:14 -if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. Please pray into areas of repentance, acknowledge our sins, lack of humility, lack of prayer. Our repentance will lay the groundwork for restoration.
- Pray for couples that are going through marital problems. That these couples will have a fresh revelation and understanding of biblical marriage and embrace all that God has for them through His plan and design for marriage.
- Pray for the peace of Jerusalem. Pray for the Persecuted Church all over the world, for people who have come to know the Lord as their Saviour from other faiths and Christian organizations. That they would stay strong in the faith, for a shield of protection around them and that the Lord would meet all their needs. Pray for their persecutors.
- Pray for people who have lost their jobs, going through financial difficulties, going through bereavement, children gone astray.
- Pray for our pregnancy care centres – to have all the resources they need (financial, practical, volunteers, staff) to support women and families who choose to stay pregnant and have their babies; for churches in Calgary to become a safe, grace-filled place for women who have had abortions to come for support and find healing
- Pray for those who are going through various illnesses and who have been laid up for a long time. That the Lord would touch, heal and restore.
- Pray for CSC global workers on home assignment for the summer months. Almost all of them remained in their country of assignment. Pray for refreshment and renewed relationships for the short time that they are in Canada
