PRAY for
Centre Street Church

Dear Centre Street Church:

As we consider CSC's present space challenges and future ministry opportunities, we need God's wisdom and provision. Please join our senior leaders and me as we seek God in prayer this week for the future direction of Centre Street Church.

Let us start by thanking God for His provision of wisdom and financial resources over the years for Centre Street Church and it's expanding ministry in Calgary, Airdire, and around the world.

ALSO JOIN US IN PRAYER AS WE ASK GOD:

1. To guide the Centre Street Church Board, Senior Pastor, Leadership Team and Campus Development Committee to discern His perfect will as they consider and plan possible solutions for our space needs.
2. For provision of more space at Central Campus to address growing space challenges in Children's Ministries, Special Needs Ministry and other ministries of our church.
3. For God's perfect timing regarding the anticipated gift of land and building of a Northwest Campus to allow for more effective ministry in NW Calgary.
4. For wisdom in discerning God's will regarding the possible sale of our West Campus to provide resources which could be used to help meet our space needs.
5. To provide for our church, and for those in our city and church family who have been affected by the economic downturn.
6. To continue to bless the ministry of Centre Street Church as we introduce people to Jesus and help them become fully-devoted followers of Jesus.

Thank you for taking these prayer requests to God in the weeks ahead.

Dr. Henry Schorr
