Thanks

Thanks for all you prayers, love and support. The Lord is good and in control. I have been reading through Revelation recently and am reminded how short our days on this earth are and how important it is to be ready for our Lords return. To those who

belong to God it will be a glorious day, but to those who do not know him, the day will bring great tragedy, which is why we must be all the more ready to share with others the good news of our Lord and His Gospel of love and Grace for all peoples.
